

**About Us**

The Carolinas Wind Orchestra (CWO) was founded over twenty years ago by William Malambri, DMA, Professor of Music, Winthrop University, Rock Hill, SC. As a community band and part of Winthrop University’s music program, the CWO provides opportunities for local professional and semi-professional musicians as well as advanced student wind and percussion majors to rehearse and perform with a high-quality musical ensemble.

CWO performs four full-ensemble concerts each season under the direction of Artistic Director Dr. Lorrie S. Crochet. The band also supports local causes with community performances.

**How is my contribution used?**

Corporate sponsorships provide general operating support for the band. This may include providing assistance for musicians unable to buy supplies or afford instrument repairs; the purchase of necessary equipment such as music, music stands, or percussion equipment; paying for venue rentals; or as general support of outreach programs.

**Levels of Support**

Directors	\$1,000	<ul style="list-style-type: none"> <li>● Complimentary full page ad in all concert programs (4)</li> <li>● Logo prominently featured in supporter section of concert programs and on CWO website through June 30, 2020</li> <li>● 6 reserved preferred seating at our home concerts</li> </ul>
